

Goatskin TIG Gauntlet WG-301

Goatskin palm TIG welding gauntlet with EmberTuff™ back and cuff and Kevlar® stitched seams

- **Supple goatskin palm:** natural lanolin keeps the leather soft for precise torch and filler control.
- **Drag patch:** added abrasion resistance along the side of the palm where it rests on the work.
- **Built for TIG:** combines heat protection, durability and a light touch.

KEY FEATURES:

- Premium goatskin leather palm
- EmberTuff™ heat-resistant back and cuff
- Kevlar® stitched seams
- Unlined for maximum feel
- Extended gauntlet cuff
